Payment Policy | Coordination of Benefits

**EFFECTIVE DATE:** 12 | 20 | 2001 **POLICY LAST UPDATED:** 02 | 06 | 2018

#### **OVERVIEW**

Coordination of Benefits (COB) is a provision used to establish the order in which health insurance plans pay claims when more than one plan exists. This reimbursement policy was written to document coordination of benefits and to outline the payment policies of Blue Cross & Blue Shield of Rhode Island (BCBSRI) when coordinating benefits due to the presence of other coverage.

# **POLICY STATEMENT**

## BlueCHiP for Medicare and Commercial Products

When BCBSRI is the secondary payer for a claim, we will provide benefit consideration for the lesser of our allowance, or the outstanding member liability after payment by the primary payer, not to exceed charges in accordance with the member's contract

If BCBSRI is the secondary payor to a Medicare plan (original Medicare or MAO) and the servicing provider has opted out of Medicare, BCBSRI will pay 20% of the rate per the Rhode Island Medicare Fee Schedule.

If BCBSRI is the secondary payor to Medicare, and the servicing provider is ineligible to participate with Medicare, BCBSRI will process the claim as if we were primary payor.

In the event BCBSRI determines, after payment, that BCBSRI is not the primary insurer, a retraction of that claim payment may occur. The claim should then be billed to the primary insurer and resubmitted to BCBSRI with the primary insurer's EOB for secondary coverage.
