

## Medical Coverage Policy | Prior Authorization via Web-Based Tool for Procedures

**EFFECTIVE DATE:** 01|01|2023

**POLICY LAST UPDATED:** 10|19|2022

### OVERVIEW

This policy documents the prior authorization request process for certain medical procedures, using the Blue Cross & Blue Shield of Rhode Island (BCBSRI) online prior authorization tool. Therapies such as pulmonary rehab and certain drugs such as Belimumab will not be authorized by this system. Please refer to the individual policies on the web.

### MEDICAL CRITERIA

Generally, InterQual criteria, is used to determine medical necessity and is found in the online authorization tool. Medical necessity criteria from Centers for Medicare and Medicaid Services (CMS) National and Local Coverage Determinations (NCD/LCD) is used when applicable for Medicare Advantage Members to determine medical necessity of services and is found in the online authorization tool. However, for those policies specifically listed in the Related Policies section of this policy, BCBSRI medical criteria is used.

### PRIOR AUTHORIZATION

Prior authorization is required for Medicare Advantage Plans and recommended for Commercial Products.

If a service that requires prior authorization is performed on an urgent basis, a retrospective authorization must be obtained through the online tool.

If the complexity of a procedure is unknown prior to the service, a retrospective authorization must still be obtained.

### POLICY STATEMENT

#### Medicare Advantage Plans and Commercial Products

Medical Procedures are considered medically necessary when the criteria in the BCBSRI online prior authorization tool has been met.

Requests for medical procedures should be obtained via the BCBSRI online prior authorization tool, which is available only to participating providers. All other providers should fax the request to Utilization Management at 401-272-8885 to complete the prior authorization process. Please see reference to the procedures requiring prior authorization through the online tool below.
