Affinity Provider Directory

Introduction

Following is your Blue Cross Dental Participating Dentist Directory, which lists all the dentists who participate with Blue Cross Dental. There are more than 500 participating dentists, including many in neighboring Massachusetts and Connecticut. For your convenience, this directory is arranged in three sections.

This directory is a valuable resource when selecting a new dentist, locating a specialist, or verifying that your family dentist participates with Blue Cross Dental.

Please notice that an asterisk follows some dentists' names. These dentists are Affinity Program providers. Under the Affinity Program, you can receive a discount on minor restorative services that are not covered under your benefit. This discount is the result of a negotiated payment amount that is up to 15 percent less than what the dentist would normally charge for these services.

This directory is current as of July 2007; however, the status of individual dentists is subject to change. Before receiving dental services, be sure to confirm your dentist's network status by calling the dentist or BCBSRI's Customer Service Department.

Finding a Dentist

For your convenience, this directory is arranged into three sections:

Section One: Participating Rhode Island dentists listed by location and specialty

Section Two: Participating out-of-state dentists listed by location and specialty

Section Three: Alphabetical index of all participating dentists

You can also locate a network dentist by using the Provider Finder tool on **BCBSRI.com**. This tool helps you locate a dentist in an area that is convenient for you. You can also use the Provider Finder to:

- Determine if your dentist participates with Blue Cross Dental.
- Create a personalized provider directory.

If you don't have Internet access or you need help, just call our Customer Service Department at **(401) 459-5000** or **1-800-639-2227** (outside of RI), Monday through Friday, from 8:00 a.m. to 8:00 p.m. and Saturday, from 8:00 a.m. to 2:00 p.m.

Visiting your Dentist

Participating dentists will accept the Blue Cross Dental allowance as full payment, less any applicable coinsurance and/or deductibles. Simply show your card to your participating dentist when you require care.

If you visit a non-participating dentist, you still have coverage. You may be required to pay the dentist directly and submit a claim for reimbursement from us. We will reimburse you according to your plan, less any coinsurance and/or deductibles. Please refer to your benefit summary for more information.
