

Order Your 2008 Holiday Greetings

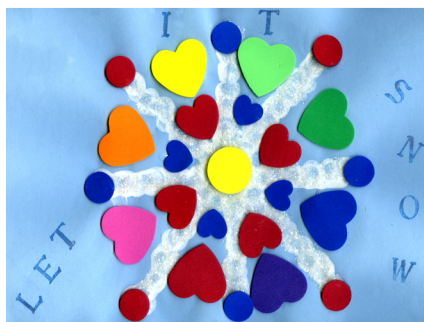

Blue Cross & Blue Shield of Rhode Island is pleased to partner with Meeting Street again this year as part of our BlueAngel Community Outreach program. By purchasing Meeting Street holiday cards, you are supporting the important programs and services that Meeting Street provides children in our community. For more than 60 years, Meeting Street has been a nationally recognized leader in providing inclusive education, early intervention, and educational and therapeutic services for children of all ages.

The holiday cards are designed exclusively by students at Meeting Street. When you send them to your friends and family this holiday season, you will be sharing in the spirit of giving.
