| **Vaccine Administration Code**<br>90460 - 90461, 90471 – 90474<br>G0008 – G0009* | - Use the proper CPT® code based on age, whether the physician (or NP, or PA) performed counseling, number of vaccines administered, and route of administration.  
* BCBSRI does not reimburse for G codes, except when submitting for Plan 65 members. |
| **Influenza Vaccine Codes**<br>90655, 90656, 90657, 90658, 90660, 90662 | - Use the proper CPT code based on the vaccine type administered.  
- For state-supplied vaccine, bill the CPT code.  
- For non-state-supplied vaccine, bill the CPT code and append the -22 modifier.  

*Note:* Please do not report the HCPCS II Q2034-Q2039 |
| **Pneumococcal Vaccine Codes**<br>90669, 90670, 90732 | - For state-supplied vaccine, bill the CPT code.  
- For non-state-supplied vaccine, bill the CPT code and append the -22 modifier. |
| **ICD-9® Diagnosis Codes** | - **Influenza:** V04.81  
- **Pneumococcal:** V03.82  
- **Influenza and Pneumococcal:** V06.6 |
| **Flu Vaccine At Retail Program** | - Participating Rhode Island pharmacies can submit for vaccine administration and supply using the pharmacy claims system.  
- No cost share for BCBSRI members only, who receive a flu vaccine at one of the Rhode Island pharmacies that have agreed to participate in this program.  
- Members who use a pharmacy that has not agreed to participate will be responsible for the vaccine administration.  
- Visit BCBSRI.com for more information on the Flu Vaccine At Retail Program and for a list of pharmacies that have agreed to this arrangement. |
| **Standard Reimbursement** | - Visit the Provider section of BCBSRI.com for reimbursement information. |
| Claim Forms | - **Institutional Providers:** UB-04 or electronic equivalent  
- **Professional Providers:** CMS-1500 (08-05) or electronic equivalent |
|-------------|----------------------------------------------------------------------------------------------------------------------------------|

*Note:* BCBSRI does not accept roster billing.

| Key Points | - Vaccinations are covered for all BCBSRI plans.  
- Follow standard vaccination billing protocol for all Plan 65 members.  
- There is no copayment or coinsurance for members simply getting an immunization.  
- If the immunization occurs during an office visit, the member’s office visit copayment will apply.  
- BCBSRI members who use a Rhode Island pharmacy that has not agreed to participate in the Flu Vaccine At Retail Program will be responsible for the vaccine administration.  

*Note:* It is incorrect coding to bill 99211 when the only service is vaccine administration. |
