

Medical Coverage Policy | Out-of-Network Services Requests

EFFECTIVE DATE: 11 | 18 | 2016

POLICY LAST UPDATED: 04 | 16 | 2020

OVERVIEW

This policy documents the review process and criteria when a member or a provider on behalf of a member is requesting services from a non- contracted/out-of-network provider and is requesting that the services be considered at the members in-network benefit level.

This policy is applicable to Commercial Products only.

MEDICAL CRITERIA

Commercial Products

Covered services from non-contracted/out-of-network healthcare providers are medically necessary and would be considered at the members in-network benefit level when one of the following criteria is met:

- Services are determined be urgent or emergent
- There is not a contracted/ in-network provider within the health plans network that has the expertise, training, access to or the ability to provide the covered services that are requested by the member and which are medically necessary
- A newly enrolled member that is at 24 weeks of pregnancy or greater and the obstetrical provider is with non-contracted/out-of-network provider
- A newly enrolled member that is in an active course of treatment* with a non-contracted provider.

*Active treatment is defined as member is receiving active treatment for an acute condition in which provider continuity may prevent a recurrence of worsening of the condition under treatment and interfere with anticipated outcomes. Treatment typically involves regular visits with a practitioner to monitor the status of an illness or disorder, provider direct treatment, prescribe medication or other treatment or modify treatment protocol.

- a. An example of a qualifying condition may be treatment for an acute exacerbation of chronic asthma requiring ongoing treatment whereas monitoring for chronic asthma may not meet the above definition.
- b. Members who are post-operative post-treatment or have begun a staged cycle of surgical procedures (e.g. cleft palate repair)
- c. Oncology request: Members engaged in an ongoing course of treatment (e.g. radiation therapy or chemotherapy). Determinations may be approved through the current course of treatment.

PRIOR AUTHORIZATION

Prior authorization is recommended for Commercial Product

POLICY STATEMENT

Commercial Products

Covered services rendered by a non-contracted/out-of-network provider are processed at the members in-network benefit level when the criteria above are met.

COVERAGE

Benefits may vary between groups/contracts. Please refer to Subscriber Agreement for the applicable out of network coverage.

This medical policy is made available to you for informational purposes only. It is not a guarantee of payment or a substitute for your medical judgment in the treatment of your patients. Benefits and eligibility are determined by the member's subscriber agreement or member certificate and/or the employer agreement, and those documents will supersede the provisions of this medical policy. For information on member-specific benefits, call the provider call center. If you provide services to a member which are determined to not be medically necessary (or in some cases medically necessary services which are non-covered benefits), you may not charge the member for the services unless you have informed the member and they have agreed in writing in advance to continue with the treatment at their own expense. Please refer to your participation agreement(s) for the applicable provisions. This policy is current at the time of publication; however, medical practices, technology, and knowledge are constantly changing. BCBSRI reserves the right to review and revise this policy for any reason and at any time, with or without notice.
