POLICY LAST REVIEWED: 05|06|2025

OVERVIEW

This policy documents the prior authorization request process for certain medical procedures, using the Blue Cross & Blue Shield of Rhode Island (BCBSRI) online prior authorization tool. Services such as dental services rendered in the outpatient setting will not be authorized by this system. Please refer to the individual policies on the web.

MEDICAL CRITERIA

Generally, InterQual criteria, is used to determine medical necessity and is found in the online authorization tool. Medical necessity criteria from Centers for Medicare and Medicaid Services (CMS) National and Local Coverage Determinations (NCD/LCD) is used when applicable for Medicare Advantage Members to determine medical necessity of services and is found in the online authorization tool. However, for those policies specifically listed in the Related Policies section of this policy, BCBSRI medical criteria is used.

PRIOR AUTHORIZATION

Prior authorization is required for Medicare Advantage Plans and recommended for Commercial Products.

Effective 10/1/2025, for Fully-Funded Commercial Products only, prior authorization requests may not be needed when the requesting physician is a BCBSRI Contracted Primary Care Provider. See below for a list of specialties. Prior authorization continues to be needed for all other Commercial Products, including Self-Funded and Medicare Advantage Plans.

The following specialties, that are credentialed as a primary care provider, are included in this exemption:

- Internal Medicine
- Pediatric Medicine
- Family Practice
- Obstetrics and Gynecology
- Doctor of Osteopathic Medicine
- NP (Nurse Practitioner)/PCP (Primary Care Physician or Provider)
- PA (Physician Assistant)

Effective 5/15/2025, prior authorization requests for certain services may not be needed when the requesting physician is a Blue Cross and Blue Shield of Rhode Island (BCBSRI) Contracted Primary Care Provider. Please see the attached code grid for applicable services.

The following specialties are included in this exemption:

- Internal Medicine
- Pediatric Medicine
- Family Practice
- NP (Nurse Practitioner)/PCP (Primary Care Physician or Provider)
- PA (Physician Assistant)

If a service that requires prior authorization is performed on an urgent basis, a retrospective authorization must be obtained through the online tool.

If the complexity of a procedure is unknown prior to the service, a retrospective authorization must still be obtained.

POLICY STATEMENT

Medicare Advantage Plans and Commercial Products

Medical Procedures are considered medically necessary when the criteria in the BCBSRI online prior authorization tool has been met.

Requests for medical procedures should be obtained via the BCBSRI online prior authorization tool, which is available only to participating providers. All other providers should fax the request to Utilization Management at 401-272-8885 to complete the prior authorization process. Please see reference to the procedures requiring prior authorization through the online tool below.
