Total Health Solutions: Your oral health can impact your overall health. Total Health Solutions provides enhanced dental benefits for members with certain health conditions at no extra cost, including: • Non-surgical periodontal and periodontal maintenance – coinsurance is waived for these services for members who have been diagnosed with diabetes, coronary heart disease (CAD), oral cancer, head and neck cancer, stroke, lupus, rheumatoid arthritis, organ transplants, and Sjogren's Disease.

Cleanings (prophylaxis) – members who are pregnant qualify for one additional cleaning (above the two provided per plan year) during their pregnancy.

Please refer to your Blue Cross Dental Subscriber Agreement for more information.

Out-of-Network Coverage: When you visit out-of-network dentists you are still covered. Payment to the provider will be based on your plan's reimbursement allowance, less any applicable coinsurance and/or deductible. Please refer to the Blue Cross Dental Subscriber Agreement for specific details.

This is a summary of your dental benefits. It is not a contract. For details about your coverage, including any limitations or exclusions not noted here, please refer
to your subscriber agreement or call the number located on the back of your BCBSRI ID card. If you have questions about receiving medical care, please call
your doctor.
