Section 1 – Introduction

This directory provides a list of the BlueRI for Duals (HMO D-SNP) network providers. To get detailed information about your healthcare coverage, please see your Evidence of Coverage (EOC).

As a BlueRI for Duals (HMO D-SNP) member, you will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your healthcare services from your PCP. A PCP is a provider who has been credentialed with Blue Cross & Blue Shield of Rhode Island (BCBSRI) as a primary care provider and affords them the ability to have patients assigned to them for basic medical care. When you become a member of our plan, you must choose a PCP. As we explain in the following sections, you will get your routine or basic care from your PCP. Your PCP will work with you to coordinate care for covered services. You will not need a referral from your PCP to see a specialist.

The network providers listed in this directory have agreed to provide you with your healthcare, vision and dental services. You may go to any of our network providers listed in this directory.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor BlueRI for Duals (HMO D-SNP) will be responsible for the costs.

If a non-contracted provider submits a bill directly to you, you should not pay the bill. You should submit it to us for processing and determination of your liability.

Please submit the bill to:
Blue Cross & Blue Shield of Rhode Island
Attn: Claims Department
500 Exchange Street
Providence, RI 02903

In the event of an emergency, please seek help immediately and go to the nearest hospital or emergency room. As soon as possible, please contact the plan so we can follow up with your doctors on your emergency care. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.
