## Section 1 – Introduction

This directory provides a list of our plan's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

The term Primary care Provider (PCP) will be used throughout this directory. A PCP is a provider who has been credentialed with Blue Cross & Blue Shield of Rhode Island (BCBSRI) as a primary care physician and affords them the ability to have patients assigned to them for basic medical care. Your PCP will work with you to coordinate care for covered services. However, HealthMate Coast-to-Coast for Medicare Group plan members do not need to seek a referral to see a specialist.

The network providers listed in this directory have agreed to provide you with your healthcare, vision, and dental services (if applicable). You may go to any of our network providers listed in this directory. You may also use non-network providers for specified covered services. With the exception of emergencies or urgent care, it may cost more to get care outside the network. Please refer to your Evidence of Coverage (EOC) for more information on the seeking non-network care.

Out-of-network providers are under no obligation to treat our plan enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Medicare Concierge team at (401) 236-8245 or 1-855-200-8836 (TTY users should call 711), seven days a week from October 1 to March 31, 8:00 a.m. to 8:00 p.m. From April 1 to September 30, you can call Monday through Friday, 8:00 a.m. to 8.00 p.m.; on Saturday, call from 8:00 a.m. to noon. You can use our automated answering system outside of these hours. You may also refer to your EOC for more information, including the cost sharing that applies to out-of-network services.

If a non-contracted provider submits a bill directly to you, you should not pay the bill. You should submit it to us for processing and determination of your liability.

Please submit the bill to:
Blue Cross & Blue Shield of Rhode Island
Attn: Claims Department
500 Exchange Street
Providence, RI 02903

In the event of an emergency, please seek help immediately and go to the nearest hospital or emergency room. As soon as possible, please contact the plan so we can follow up with your doctors on your emergency care. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan.
