Introduction

This booklet provides a list of our plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and BlueCHiP for Medicare Access, BlueCHiP for Medicare Enhanced, BlueCHiP for Medicare Extra, BlueCHiP for Medicare Essential, BlueRI for Duals, BlueCHiP for Medicare Group Plus, BlueCHiP for Medicare Group Preferred, BlueCHiP for Medicare Group Preferred Unlimited, BlueCHiP for Medicare Group Preferred Unlimited 2, BlueCHiP for Medicare Group Choice, BlueCHiP for Medicare Group Elite, BlueCHiP for Medicare Group Elite 2, HealthMate Coast-to-Coast for Medicare Group 1-10 and HealthMate Coast-to-Coast for Medicare Group 14's plan formularies.

When this pharmacy directory refers to "we," "us", or "our," it means Blue Cross & Blue Shield of Rhode Island. When it refers to "plan" or "our plan," it means BlueCHiP for Medicare Access, BlueCHiP for Medicare Enhanced, BlueCHiP for Medicare Extra, BlueCHiP for Medicare Essential, BlueRI for Duals, BlueCHiP for Medicare Group Plus, BlueCHiP for Medicare Group Preferred, BlueCHiP for Medicare Group Preferred Unlimited, BlueCHiP for Medicare Group Preferred Unlimited 2, BlueCHiP for Medicare Group Choice, BlueCHiP for Medicare Group Elite, BlueCHiP for Medicare Group Elite 2, HealthMate Coast-to-Coast for Medicare Group 1-10 and HealthMate Coast-to-Coast for Medicare Group 14.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 11/01/2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Rhode Island which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call our Blue Cross & Blue Shield of Rhode Island BlueCHiP for Medicare Concierge team at (401) 277-2958 or 1-800-267-0439 or call our Blue Cross & Blue Shield of Rhode Island HealthMate Coast-to-Coast for Medicare Concierge team, at (401) 236-8245 or (855) 200-8836 (TTY users should call 711)

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Pharmacies are listed alphabetically by type of pharmacy and city. The types of pharmacies in this directory appear in this order:

- Mail Order Pharmacy
- Retail Pharmacies, Including Chain Pharmacies
- Home Infusion Pharmacies
- Long-term Care Pharmacies
- Specialty Pharmacies

Under each listing we also list additional pharmacy features. These features are identified on each page with the following key:

- **24HR** = Pharmacy is open 24-hours.
- **eRX** = Pharmacy accepts electronic prescriptions from prescribers.

Mail Order Pharmacy

Log into your bcbsri.com account and click on “Go to MyPrime.com.”

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, please contact us 10 to 20 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 5-8 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact the numbers below (TTY users: 711) 24 hours a day, seven days a week, or visit the pharmacy website.
