Section 1 – Introduction

This directory provides a list of our plan's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

As a member, you will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your healthcare services from your PCP. A PCP is a provider who has been credentialed with Blue Cross & Blue Shield of Rhode Island (BCBSRI) as a primary care provider and affords them the ability to have patients assigned to them for basic medical care. When you become a member of our plan, you must choose a PCP. As we explain in the following sections, you will get your routine or basic care from your PCP. Your PCP will work with you to coordinate care for covered services. You will need a referral from your PCP to see a specialist. Blue CHiP for Medicare group plans do not require referrals.

The network providers listed in this directory have agreed to provide you with your healthcare, vision, and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral. Please refer to your EOC for a full listing of services that require a referral. All referrals must be submitted by your PCP.

If you are enrolled in an HMO plan without a POS option, you must use network providers, except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor our plan will be responsible for the costs. Members who have a plan with a POS benefit may use non-network providers for specified covered services. With the exception of emergencies or urgent care, it may cost more to get care outside the network. Please refer to your EOC for more information on seeking non-network care.

If a non-contracted provider submits a bill directly to you, you should not pay the bill. You should submit it to us for processing and determination of your liability.

Please submit the bill to:
Blue Cross & Blue Shield of Rhode Island
Attn: Claims Department
500 Exchange Street
Providence, RI 02903

In the event of an emergency, please seek help immediately and go to the nearest hospital or emergency room. As soon as possible, please contact the plan so we can follow up with your doctors on your emergency care. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers and you do not have the Point-of-Service (POS) benefit, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow. If your plan has the POS benefit, the applicable copays/coinsurance will apply.
