Nota para los miembros actuales: Este formulario ha cambiado desde el año pasado. Revise este documento para asegurarse de que aún contiene los medicamentos que usted toma.

Cuando esta lista de medicamentos (formulario) hace referencia a “nosotros”, “nos” o “nuestro”, se refiere a Blue Cross & Blue Shield of Rhode Island. Cuando se refiere a “plan” o “nuestro plan”, significa BlueRI for Duals, BlueCHiP for Medicare Access, BlueCHiP for Medicare Enhanced, BlueCHiP for Medicare Extra, BlueCHiP for Medicare Essential, BlueCHiP for Medicare Group Elite 2, y HealthMate Coast-to-Coast for Medicare Group Plan 10.

Este documento incluye una lista de los medicamentos (formulario) de nuestro plan actualizado al 10/01/2026. Para obtener una lista de los medicamentos (formulario), comuníquese con nosotros. Nuestra información de contacto, junto con la fecha en que actualizamos por última vez la lista de medicamentos (formulario), aparece en la portada y la contraportada.

Por lo general, usted debe usar las farmacias de la red para obtener sus beneficios de medicamentos recetados. Los beneficios, el formulario, la red de farmacias o los copagos/coseguros podrían cambiar el 1.º de enero de 2027 y de vez en cuando durante el año.

¿Qué es el formulario de BlueRI for Duals, BlueCHiP for Medicare Access, BlueCHiP for Medicare Enhanced, BlueCHiP for Medicare Extra, BlueCHiP for Medicare Essential, BlueCHiP for Medicare Group Elite 2, y HealthMate Coast-to-Coast for Medicare Group Plan 10?

En este documento, los términos “Lista de medicamentos” y “formulario” se refieren a lo mismo. El formulario es una lista de los medicamentos cubiertos seleccionados por nuestro plan, en conjunto con un equipo de proveedores de atención médica, los cuales representan las terapias recetadas que se entienden son una parte necesaria de cualquier programa de tratamiento de calidad. Nuestro plan generalmente cubrirá los medicamentos mencionados en nuestro formulario, siempre y cuando el medicamento sea médicamente necesario, la receta sea surtida en una farmacia de la red y se sigan las otras reglas del plan. Para obtener más información sobre cómo surtir sus recetas, consulte su Evidencia de cobertura.

¿Puede haber cambios en el formulario?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1.º de enero, pero podemos agregar o eliminar medicamentos del formulario durante el año, trasladarlos a niveles diferentes de costos compartidos o agregar nuevas restricciones. Al realizar estos cambios, debemos seguir las reglas de Medicare. Las actualizaciones de la lista de medicamentos se publican mensualmente en nuestro sitio web en <https://www.bcbsri.com/medicare>.

Cambios que pueden afectarle este año: En los siguientes casos, usted se verá afectado por los cambios de cobertura durante el año:

- **Sustituciones inmediatas de ciertas versiones nuevas de medicamentos de marca y productos biológicos originales.** Podemos eliminar de inmediato un medicamento de nuestro formulario si lo reemplazamos por una nueva versión de ese medicamento que aparezca en el mismo nivel de costos compartidos o uno más bajo y con las mismas restricciones o menos. Cuando agregamos una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o producto biológico original en nuestro formulario, pero trasladarlo de inmediato a un nivel diferente de costos compartidos o agregar nuevas restricciones.

Podemos realizar estos cambios inmediatos solo si agregamos una nueva versión genérica de un medicamento de marca o si agregamos ciertas versiones biosimilares nuevas de un producto biológico original que ya estaba en el vademécum (por ejemplo, agregamos un biosimilar intercambiable que puede sustituirse por un producto biológico original de una farmacia sin una receta nueva).

Si actualmente toma ese medicamento de marca o producto biológico original, es posible que no le informemos con anticipación antes de realizar un cambio inmediato, pero más adelante le proporcionaremos información sobre los cambios específicos que hayamos realizado.

Si hacemos dicho cambio, usted o la persona autorizada para extender recetas pueden solicitarnos que hagamos una excepción y que continuemos cubriendo el medicamento que se cambiará. Para obtener más información, consulte la sección a continuación titulada “¿Cómo solicito una excepción al formulario de BlueRI for Duals, BlueCHiP for Medicare Access, BlueCHiP for Medicare Enhanced, BlueCHiP for Medicare Extra, BlueCHiP for Medicare Essential, BlueCHiP for Medicare Group Elite 2, y HealthMate Coast-to-Coast for Medicare Group Plan 10?”.

Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la sección a continuación titulada “¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?”.

- **Medicamentos retirados del mercado.** Si el fabricante retira un medicamento de la venta o si la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA) determina que un medicamento se retire por motivos de seguridad o eficacia, podemos retirar de inmediato el medicamento de nuestro vademécum y luego notificaremos a los miembros que lo usan.
- **Otros cambios.** Podemos hacer otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podemos retirar un medicamento de marca del formulario cuando se agrega un equivalente genérico o retirar un producto biológico original cuando se agrega un biosimilar. También podemos aplicar nuevas restricciones al medicamento de marca o producto biológico original, o pasarlo a un nivel de costo compartido diferente, o ambas cosas. Podemos hacer cambios en función de nuevas pautas clínicas. Si eliminamos medicamentos de nuestro formulario, agregamos una autorización previa, límites de cantidad o restricciones de terapia escalonada para un medicamento, o trasladamos un medicamento a un nivel de costos compartidos más alto, debemos notificar a los miembros afectados acerca del cambio al menos 30 días antes de que el cambio entre en vigencia. O bien, cuando el miembro solicite resurtir el

medicamento, puede recibir un suministro del medicamento para 30 días y un aviso sobre el cambio.

Si hacemos estos cambios, usted o la persona autorizada para extender recetas pueden solicitarnos que hagamos una excepción y que continuemos cubriendo el medicamento que está tomando. El aviso que le proporcionamos también incluirá información sobre cómo solicitar una excepción y también puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción al formulario de BlueRI for Duals, BlueCHiP for Medicare Access, BlueCHiP for Medicare Enhanced, BlueCHiP for Medicare Extra, BlueCHiP for Medicare Essential, BlueCHiP for Medicare Group Elite 2, y HealthMate Coast-to-Coast for Medicare Group Plan 10?”.

Cambios que no lo afectarán si actualmente está tomando el medicamento. En general, si está tomando un medicamento de nuestro formulario 2027 que estaba cubierto al comienzo del año, no interrumpiremos ni reduciremos la cobertura de dicho medicamento durante el año de cobertura 2027, excepto según lo descrito anteriormente. Esto significa que estos medicamentos permanecerán disponibles con los mismos costos compartidos y sin nuevas restricciones para aquellos miembros que los tomen durante el resto del año de cobertura. No recibirá una notificación directa este año sobre cambios que no lo afectan a usted. Sin embargo, el 1.º de enero del año próximo, dichos cambios podrían afectarle, y es importante verificar el formulario del nuevo año de beneficios por cualquier cambio en los medicamentos.

El formulario adjunto está actualizado al 10/01/2026. Nuestra información de contacto aparece en la portada y la contraportada. Puede encontrar el formulario del plan más actualizado en bcbstri.com/medicare. Los formularios publicados se actualizan mensualmente y en el caso de un cambio de formulario de mitad de año que no sea de mantenimiento. También puede comunicarse con nuestro Equipo de ayuda personalizada de Medicare si tiene preguntas o para recibir una versión impresa del documento.

¿Cómo utilizo el formulario?

Hay dos maneras en las que puede encontrar su medicamento en el formulario:

Afección médica

El formulario comienza en la página 1. Los medicamentos de este formulario se agrupan en categorías según el tipo de afecciones médicas que tratan. Por ejemplo, los medicamentos usados para tratar una afección cardíaca se enumeran en la categoría Agentes cardiovasculares. Si usted sabe para qué se utiliza el medicamento, busque el nombre de la categoría en la lista que comienza en la página 1. Luego, busque su medicamento debajo del nombre de la categoría.

Listado alfabético

Si no está seguro bajo qué categoría buscar, puede buscar su medicamento en el índice que comienza en la página 103. El índice proporciona una lista alfabética de todos los medicamentos que se incluyen en este documento. Tanto los medicamentos genéricos como de marca aparecen en el índice. Busque en el índice hasta encontrar su medicamento. Al lado del nombre del medicamento, encontrará el número de la

página donde puede encontrar la información de la cobertura. Vaya a la página indicada en el índice y encuentre el nombre del medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

BlueRI for Duals, BlueCHiP for Medicare Access, BlueCHiP for Medicare Enhanced, BlueCHiP for Medicare Extra, BlueCHiP for Medicare Essential, BlueCHiP for Medicare Group Elite 2, y HealthMate Coast-to-Coast for Medicare Group Plan 10 cubren tanto medicamentos de marca como medicamentos genéricos. Un medicamento genérico está aprobado por la FDA como medicamento que contiene el mismo ingrediente activo que el medicamento de marca. En general, los medicamentos genéricos son tan eficaces como los medicamentos de marca y normalmente cuestan menos. Hay sustitutos de medicamentos genéricos disponibles para muchos medicamentos de marca. Los medicamentos genéricos generalmente pueden sustituirse por el medicamento de marca en la farmacia sin necesidad de una receta nueva, según las leyes estatales.

¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

En el formulario, cuando nos referimos a medicamentos, esto podría significar un medicamento o un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos habituales. Por este motivo, en lugar de tener una forma genérica, tienen alternativas que se denominan biosimilares. Por lo general, los biosimilares funcionan igual de bien que los productos biológicos originales y pueden costar menos. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, según las leyes estatales, pueden sustituirse por el producto biológico original en la farmacia sin necesidad de una receta nueva, al igual que los medicamentos genéricos pueden sustituirse por medicamentos de marca.

- Para obtener información sobre los tipos de medicamentos, consulte la Sección 3.1 del Capítulo 5 de la Evidencia de cobertura, “La ‘lista de medicamentos’ contiene los medicamentos de la Parte D que están cubiertos”.

¿Existen restricciones en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos adicionales o límites en la cobertura. Estos requisitos y límites pueden incluir los siguientes:

- **Autorización previa:** Nuestro plan requiere que usted o su médico que receta obtenga autorización previa para ciertos medicamentos en función de criterios específicos. Esto significa que deberá obtener aprobación por parte de nuestro plan antes de poder surtir sus medicamentos recetados. Si no obtiene aprobación, es posible que nuestro plan no cubra el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubrirá. Por ejemplo, nuestro plan proporciona 60 tabletas/30 días por receta para Losartan 25 mg. Esto puede ser adicional a un suministro normal de uno o tres meses.
- **Terapia escalonada:** En algunos casos, nuestro plan exige que primero pruebe con determinados medicamentos para tratar su afección médica antes de que cubramos otro medicamento para esa afección. Por ejemplo, si tanto el medicamento A como el medicamento B tratan su afección médica, nuestro plan puede que no cubra el medicamento B a menos que usted pruebe el medicamento A primero. Si el medicamento A no le funciona, entonces el plan cubrirá el medicamento B.

Usted puede averiguar si el medicamento tiene algún requisito o límite adicional buscándolo en el formulario que comienza en la página VIII. Usted también puede obtener más información acerca de las restricciones que aplican a medicamentos específicos cubiertos al visitar nuestra página de Internet. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y terapia escalonada. También nos puede pedir que le enviemos una copia. Nuestra información de contacto, junto con la fecha en que actualizamos por última vez el formulario, aparece en la portada y la contraportada.

Usted puede pedirle al plan que haga una excepción a estas restricciones o límites, o para obtener una lista de otros medicamentos similares que pueden tratar su afección de salud. Consulte la sección, “¿Cómo solicito una excepción al formulario de BlueRI for Duals, BlueCHiP for Medicare Access, BlueCHiP for Medicare Enhanced, BlueCHiP for Medicare Extra, BlueCHiP for Medicare Essential, BlueCHiP for Medicare Group Elite 2, y HealthMate Coast-to-Coast for Medicare Group Plan 10?” en la página VI para obtener información sobre cómo solicitar una excepción.

¿Qué sucede si mi medicamento no está en el formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con el Equipo de ayuda personalizada de Medicare y preguntar si su medicamento está cubierto. Para obtener más información, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha en que actualizamos por última vez el formulario, aparece en la portada y la contraportada.

Si efectivamente nuestro plan no cubre su medicamento, usted tiene dos opciones:

- Puede solicitarle al Equipo de ayuda personalizada de Medicare una lista de medicamentos similares que estén cubiertos por nuestro plan. Cuando usted reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que esté cubierto por nuestro plan.
- Puede solicitarle a nuestro plan que haga una excepción y cubra su medicamento. Consulte a continuación para obtener información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al formulario de BlueRI for Duals, BlueCHiP for Medicare Access, BlueCHiP for Medicare Enhanced, BlueCHiP for Medicare Extra, BlueCHiP for Medicare Essential, BlueCHiP for Medicare Group Elite 2, y HealthMate Coast-to-Coast for Medicare Group Plan 10?

Puede solicitarle a nuestro plan que haga una excepción a las normas de cobertura. Existen muchos tipos de excepciones que usted puede solicitar.

- Nos puede solicitar que cubramos un medicamento aun si no está en el formulario. Si se aprueba, este medicamento será cubierto al nivel de costos compartidos predeterminado y usted no podrá solicitarnos que proporcionemos el medicamento a un nivel de costos compartidos más bajo.
- Puede solicitarnos la exención de una restricción de cobertura, como autorización previa, terapia escalonada o límite de cantidad para su medicamento. Por ejemplo, para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede solicitarnos que eliminemos el límite y cubramos una cantidad mayor.

- Puede solicitarnos que cubramos un medicamento del formulario a un nivel de costos compartidos más bajo, a menos que el medicamento se encuentre en el nivel de medicamentos especializados. Si se aprueba, se reducirá la cantidad que debe pagar por el medicamento.

Generalmente, nuestro plan solo aprobará su solicitud de excepción si, en el caso de los medicamentos alternativos incluidos en el formulario del plan, el medicamento con el menor costo compartido o las restricciones de utilización adicionales no serían tan efectivos para el tratamiento de su afección o le causarían efectos médicos adversos.

Usted o la persona autorizada para extender recetas deben contactarnos para solicitar una excepción de nivel o al vademécum, incluida una excepción a una restricción de cobertura. **Cuando solicite una excepción, la persona autorizada para extender recetas necesitará explicar los motivos médicos por los que necesita que le aprueben la excepción.** Generalmente, debemos tomar nuestra decisión dentro de las 72 horas siguientes a la obtención de la declaración de respaldo de la persona que receta. Puede solicitar una decisión acelerada (rápida) si cree, y nosotros estamos de acuerdo, que su salud podría estar en grave peligro si espera las 72 horas por una decisión. Si estamos de acuerdo, o si la persona autorizada para extender recetas solicita una decisión rápida, debemos darle una decisión a más tardar 24 horas después de que obtengamos la declaración de respaldo de la persona autorizada para extender recetas.

¿Qué puedo hacer si mi medicamento no está en el formulario o tiene una restricción?

Como miembro nuevo o actual de nuestro plan, puede que usted esté tomando medicamentos que no están en nuestro formulario. O bien, es posible que esté usando un medicamento que está en nuestra lista de medicamentos, pero tiene una restricción sobre la cobertura, como una autorización previa. Debe hablar con la persona autorizada para extender recetas sobre solicitar una decisión de cobertura para demostrar que cumple con los criterios de aprobación, cambiar a un medicamento alternativo que cubramos o solicitar una excepción al vademécum para que cubramos el medicamento que toma. Mientras usted y su médico determinan el curso de acción correcto para usted, podemos cubrir su medicamento en ciertos casos durante los primeros 90 días en los que es miembro de nuestro plan.

Para cada uno de sus medicamentos que no esté en nuestro vademécum o tenga una restricción sobre la cobertura, cubriremos un suministro temporal de 30 días. Si su receta es por menos días, permitiremos resurtidos para brindarle un suministro máximo del medicamento de 30 días. Si la cobertura no se aprueba después de su primer suministro para 30 días, no pagaremos estos medicamentos, incluso si ha sido miembro del plan menos de 90 días.

Si usted es residente de un centro de atención de largo plazo y necesita un medicamento que no está en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, pero ya pasaron los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de 31 días de ese medicamento mientras solicita una excepción al formulario.

Es posible que debido a cambios usted pase de un tipo de tratamiento a otro. Durante este cambio de nivel de atención, se pueden recetar medicamentos que no estén cubiertos por su plan. Si esto sucede, usted y su médico deben usar los procesos de excepción y apelaciones de su plan. Sin embargo, cuando sea admitido a un tipo de atención de largo plazo, o dado de alta de ella, es posible que no tenga acceso a los medicamentos que le administraban anteriormente. Puede obtener un resurtido en el momento de la admisión o el alta para evitar una interrupción de la atención.
