Section 1 – Introduction

This directory provides a list of BlueCHiP for Medicare’s network providers. To get detailed information about your healthcare coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). The term “PCP” will be used throughout this directory. Generally, you must get your healthcare services from your PCP. A PCP is a provider who has been credentialed with Blue Cross & Blue Shield of Rhode Island (BCBSRI) as a primary care provider and affords them the ability to have patients assigned to them for basic medical care. When you become a member of our plan, you must choose a PCP. As we explain in the following sections, you will get your routine or basic care from your PCP. You will need a referral from your PCP to see a specialist. Group BlueCHiP for Medicare plan members do not need to seek a referral to see a specialist. Your PCP will work with you in coordinating care for covered services.

Some of BCBSRI’s PCPs are designated as Patient Centered Medical Home (PCMH) providers. These designated providers have met specialized requirements to achieve this designation. Their practices are organized in ways that allow them to better coordinate patient care with other professionals to meet the unique needs and preferences of their patients. There is a lower copayment when utilizing a PCMH PCP.

The network providers listed in this directory have agreed to provide you with your healthcare, vision and dental services (if the optional Supplemental Dental Rider has been purchased on the non-group products). You may go to any of our network providers listed in this directory; however, some services may require a referral. Please refer to your Evidence of Coverage (EOC) for a full listing of services that require a referral. All referrals must be submitted by your PCP. Group BlueCHiP for Medicare plan members do not need to seek a referral to see a specialist.

Some plans have a Point-of-Service (POS) benefit in their plan and may use non-network providers for specified covered services. With the exception of emergencies or urgent care, it may cost more to get care out of the network. Please refer to your Evidence of Coverage for more information on the POS benefit.

If you are enrolled in a plan without a (POS) option and need care when you are outside the service area, your healthcare coverage is limited. You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor BlueCHiP for Medicare will be responsible for the costs.

If a non-contracted provider submits a bill directly to you, you should not pay the bill. You should submit it to us for processing and determination of your liability.

Please submit the bill to:

Blue Cross & Blue Shield of Rhode Island
Attn: Claims Department
500 Exchange Street
Providence, RI 02903

In the event of an emergency, please seek help immediately and go to the nearest hospital or emergency room. As soon as possible, please contact the plan so we can follow up with your doctors on your emergency care. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers and you do not have the POS benefit, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow. If your plan has the POS benefit, the applicable copays/coinsurance will apply.
