

# Preferred Retail Pharmacies

BlueCHiP for Medicare members can take advantage of lower costs at our preferred retail pharmacies. When you pick up prescriptions at one of these pharmacies, your out-of-pocket costs may be lower than what you would pay at a “standard” pharmacy. That’s because we’ve partnered with the pharmacy retailers and independent pharmacies our members use most to get a lower price on certain drugs compared to our other network pharmacies.

Before dropping off your next prescription, consider using one of the pharmacies below for the best value. For the most up-to-date list of participating pharmacies, visit [bcbsri.com/Medicare](http://bcbsri.com/Medicare) or call the Medicare Concierge Team at **(401) 277-2958** or **1-800-267-0439 (TTY: 711)** (see hours below).
