

# Patient-Centered Medical Home (PCMH) Provider Listing

## BlueCHiP for Medicare

## Who can go to a PCMH, and where can I find one?

Anyone can go to a PCMH for primary care. It may have the word “home” in the name, but it’s not a nursing home—it’s just a regular doctor’s office with a different way of providing healthcare. It’s easy to find a PCMH in the BCBSRI network on [BCBSRI.com/Medicare](http://BCBSRI.com/Medicare):

1. Click on **FIND A DOCTOR** at the top of the page.
2. Enter your search criteria.
3. PCMH providers will have this icon next to their name: 

This list is current as of September 2013 and is not a complete list of our providers. For a complete listing or other questions, please contact **Customer Service at 1-800-267-0439. TTY/TDD: 711.**
