Section 1 – Introduction

This directory provides a list of Group BlueCHiP for Medicare’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers who are listed in this directory to be your **P**rietary **C**are **P**hysician (PCP). The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP. A PCP is an internal medicine physician, general medicine or family practice physician, who meets state requirements and is trained to give you basic medical care. When you become a member of our plan, you must choose a PCP. As we explain in the following sections, you will get your routine or basic care from your PCP. You do not need a referral from your PCP to see a specialist. Your PCP will work with you in coordinating care for covered services.

Some of Blue & Cross Blue Shield of Rhode Islands’s (BCBSRI) PCPs are designated as Patient Centered Medical Home (PCMH) providers. These designated providers have met specialized requirements to achieve this designation. Their practices are organized in ways that allow them to better coordinate patient care with other professionals to meet the unique needs and preferences of their patients. There is a lower copayment when utilizing a PCMH PCP.

The “network providers” listed in this directory have agreed to provide you with your health care and dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

In the event of an emergency, please seek help immediately and go to the nearest hospital or emergency room. As soon as possible, please contact the plan so we can follow up with your doctors on your emergency care. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers and you do not have the Point-of-Service (POS) benefit, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow. If your plan has the POS benefit, the applicable copays/coinsurance will apply.

BlueCHiP for Medicare Group Preferred, BlueCHiP for Medicare Group Preferred Unlimited and BlueCHiP for Medicare Group Preferred Unlimited 2 Plan members may use non-network providers for specified covered services through the POS benefit that, with the exception of emergencies or urgent care, it may cost more to get care. Please refer to your Evidence of Coverage for more information on the POS benefit.

If you need care when you are outside the service area, your health care coverage is limited. You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Group BlueCHiP for Medicare will be responsible for the costs.

If a non-contracted provider submits a bill directly to you, you should not pay the bill. You should submit it to us for processing and determination of your liability.

Please submit the bill to:

500 Exchange Street
