Application

For Large Businesses (101 or more employees)

The 21st Annual Worksite Health Awards recognize Rhode Island businesses that successfully promote worksite wellness.

Blue Cross & Blue Shield of Rhode Island's Wellness Works™ program is a proud Presenting Sponsor of these awards, in partnership with the Greater Providence Chamber of Commerce.

With healthcare costs continuing to rise, offering health management solutions is rapidly becoming one of the most effective ways for companies to keep costs down and productivity up, while improving the quality of life for employees.

The awards honor businesses that promote prevention with written materials, seminars, and lectures, and demonstrate a commitment to education through committee development and policy change. Four award levels are acknowledged: Achievement, Outstanding, Superior, and Exemplary.

When completing the application, please refer only to wellness programs and educational materials that were promoted or implemented at your business in 2014.

Also, **please attach only the items listed in the Supplemental Materials Section on the back of the application.** Please note that the review panel may request additional documentation as needed to support the information provided in this application.

Submit your application to Barbara Laurino at blaurino@provchamber.com, or call (401) 521-5000 if you have any questions.
