Accessing your consumer health savings accounts just got easier with BCBSRI's enhanced website. The new website is mobile- and tablet-friendly, features dashboard-style navigation and, best of all, it's a convenient way to manage your health savings and other tax-favored benefit accounts.

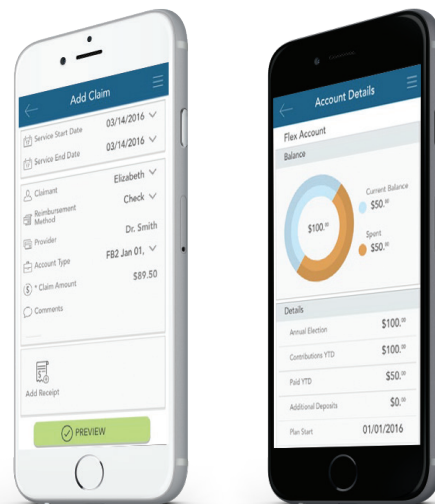

Dashboard

The new website is available to members with integrated, tax-favored benefit accounts like HSAs, FSAs and HRAs. Both web and mobile users will enjoy convenient access to information. Balances, claims history, paying bills, and even investment information are all on the dashboard and at your fingertips.

Mobile App

The BlueSolutions Spending mobile app, a secure, convenient companion of the new portal, is also available for downloading. Click on Announcements (envelope icon within the new website) for information on how to register. It's a perfectly portable version of the new website.
