*Small group employers can select up to three plan options within our product portfolio, with the exception of our LifeStyleBlue and Bronze BlueSolutions plans. This gives you the flexibility to offer a range of plan types to your employees with various cost sharing components, and gives them the ability to select the plan that best fits their needs.

**If you choose to offer VantageBlue Select (VBS) as one of the plans your employees can enroll in, you will be required to offer at least one other plan to all eligible employees. The VBS plan must be paired with another plan option which will offer access to all physicians contracted with BCBSRI without the need for a network referral.
