Get the most coverage for your money with our Select network!

Plan 65 Select C	<ul style="list-style-type: none"> Same coverage as Plan 65 C when you use Plan 65 Select participating hospitals for inpatient services. <p><i>Regular rate \$159.63</i></p>	\$111.74*
------------------	--	------------------

Rates are effective from January 1, 2014 to December 31, 2014.

*The rates listed above reflect a 30 percent discount for the age-in credit program.

Join early and save!

Take advantage of discounts on your monthly rate. It's easy. All you have to do is enroll in Plan 65 within six months of becoming eligible for Medicare Part B**—or when you leave your employer group coverage.

Automatically receive early enrollment discounts through our Age-in Credit plan.

- 30% discount in the first year you're enrolled
- 20% discount in the second year
- 10% discount in the third year

Regular rates apply after the third year.

**Individuals eligible for Medicare by disability are not eligible for the Age-in Credit program. Additional restrictions may apply. Please contact us for more information.

The Value of Blue
At your next enrollment period, you have a one-time exception to go into a Plan 65 plan option of your choice if you are coming from BlueCHiP for Medicare. Your monthly premium would be based on the regular rate.
