

2018 GROUP PLAN 65 PLAN HIGHLIGHTS

Plan65

Medicare Supplement

With the Skilled Nursing Benefit

Group Plan 65 is a Medicare supplement plan, also known as “Medigap,” that picks up where Medicare leaves off, making it easier for you to budget for your healthcare expenses. Group Plan 65 provides flexibility, options, and added discounts — all from a trusted, local company.

You’re free to seek care from the Original Medicare-participating providers of your choice, anywhere in the country. Plan 65 pays for Original Medicare’s cost-sharing, such as deductibles and coinsurance. If Original Medicare does not cover a service, your supplemental plan will also not cover that service, unless otherwise noted.

All services should be received from an Original Medicare-participating provider, except in emergencies. To be eligible for Group Plan 65, you must be enrolled in both Part A and Part B of the Original Medicare Program.

*A benefit period begins on the first day you receive services as an inpatient in a hospital, and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 consecutive days.

**These coinsurances and deductibles are current for 2018 and are subject to change on an annual basis per the Centers for Medicare and Medicaid Services (CMS).
