

2016 BlueCHiP for Medicare Advance Primary Care Physician (PCP) Listing

This guide provides a list of the BlueCHiP for Medicare Advance network primary care physicians (PCPs).

To enroll in BlueCHiP for Medicare Advance, you will have to choose one of our network providers who are listed in this guide to be your PCP. The PCPs in the BlueCHiP for Medicare Advance network are affiliated with systems of care, which are groups of providers with a shared commitment to delivering quality, cost-effective healthcare.

In addition to addressing your primary care needs, these providers are aligned to coordinate all of your healthcare needs and help you to get the most from your plan. Your PCP will work with you to arrange referrals when needed, for specialist visits and certain other services as described in your plan documents.

Please use this guide to choose a provider for your BlueCHiP for Medicare Advance plan and supply it on the enrollment application, or to the BlueCHiP for Medicare Concierge team member when enrolling. If you are looking to change PCPs you can also use this guide to find one in your area.
