

5 Reasons to Choose Blue Cross Vision

We know vision coverage is important to your employees (nearly 81 percent of U.S. adults need vision correction), and we know that a full-service solution is important to you. So we give you the option to add Blue Cross Vision plans to your benefits package. Our vision plans provide:

1. **Access.** Nationwide network of over 71,400+ eye care providers and top eyewear retailers.*
2. **Affordability.** Competitive rates for individual and family plans.
3. **Convenience.** There are no receipts to submit for in-network services!
4. **Choice.** Select the plan type that works for your employees:
 - **Allowance plan** – Provides an allowance for eyewear
 - **Schedule plan** – Includes an annual routine eye exam and eyewear allowance
5. **Savings.** With our Schedule Plans, Blue Cross Vision members only pay a \$10 copayment for routine eye exams and get special negotiated rates on lens options. Members may also receive additional discounts after they spend their eyewear allowance.

**EyeMed Vision Care Network January 2014*

Get More for Less

These great discounts are for in-network providers:

40% off Complete pair of prescription eyeglasses*

20% off Non-prescription eyeglasses

20% off Remaining balance beyond plan coverage

**This discount is available after the funded benefit has been exhausted.*

Please note: Benefits cannot be combined with any other discounts, coupons, or promotional offers unless otherwise noted in an offer.

This is a summary of Blue Cross Vision benefits. It is not a contract. For details about coverage, including any limitations or exclusions not noted here, please refer to the subscriber agreement or contact your Blue Cross sales representative or broker.
