The Value of Blue

You have a one-time opportunity to transfer to an open Plan 65 plan option of your choice if you are coming from BlueCHiP for Medicare effective 10-1-2013 or later with no lapses in coverage.

Added convenience: Electronic funds transfer (EFT) option

Select the EFT payment option on your Plan 65 application and save \$2 a month.

Customize your plan: Add Blue Cross Dental coverage

Ask your sales representative about the options available.

Rates are effective through June 30, 2018.

Plan 65 offers age-attained rates—so you can get the most out of your retirement with lower monthly premiums! Rates shown apply to members enrolling in Plan 65 within six months of becoming eligible for Medicare Part B. Individuals eligible for Medicare by disability are not eligible for the age-attained rates. Additional restrictions may apply. Please contact us for more information.

*These rates are available by confirming you don't use tobacco on your application or completing the Tobacco Use Attestation Form after becoming a Plan 65 member. Please refer to the Plan 65 sales brochure to see all rates.

**Plan requires the use of a Plan 65 select hospital network. The network is subject to change at any time.
