

# Talk with a Doctor Day or Night

## Our online video service connects you 24/7

At Blue Cross & Blue Shield of Rhode Island, we know some questions can't wait. If you need your medical questions answered when your doctor's office is closed, use telemedicine. You can talk to a top-rated doctor from your home or work, or when you're traveling—365 days a year, 24 hours a day—on your computer or your phone.

Ask a doctor about common symptoms and conditions, including:

- Cold and flu
- Sinus, ear, and eye infections
- Headaches
- Skin conditions
- Digestive problems
- Allergies

We offer this convenient, affordable service in partnership with American Well®.
