

Important Notice Regarding Creditable Coverage

As an employer who offers a health plan with prescription drug coverage, you are required by the federal government to provide an annual notice to your Medicare-eligible employees and retirees indicating whether your plan's drug coverage is equal to or better than Medicare Part D coverage (called "creditable coverage"). You must provide this notice even if your plan's drug coverage is not creditable.

We have determined that all of our existing benefit plans that include drug coverage administered by Blue Cross & Blue Shield of Rhode Island (BCBSRI) qualify as creditable coverage when the employer group is the primary payer.

However, your plan is NOT creditable if Medicare is the primary payer AND you are currently enrolled in the high-deductible health plan listed below:

- BlueSolutions for HSA 100/60, \$3,000 deductible, \$6,000 out-of-pocket, \$10/\$30/\$50/\$75/\$125
- BlueSolutions for HSA 90/50, \$3,000 deductible, \$6,000 out-of-pocket, \$10/\$30/\$50/\$75/\$125
- BlueSolutions for HSA Copay, \$4,750 deductible, \$6,550 out-of-pocket, \$10/\$50/\$75/\$95/\$150
- BlueSolutions for HSA 100/80, \$5,200 deductible, \$6,550 out-of-pocket, \$10/\$50/\$75/\$95/\$150
- BlueSolutions for HSA 100/80, \$6,550 deductible, \$6,550 out-of-pocket, \$10/\$50/\$75/\$95/\$150
