Nota para los miembros actuales: Esta lista de medicamentos ha cambiado desde el año pasado. Por favor, revise el documento para asegurarse de que sigan incluidos los medicamentos que usted toma.

Cuando en esta lista de medicamentos (formulario) dice “nosotros” o “nuestro”, significa Blue Cross & Blue Shield of Rhode Island. Cuando dice “plan” o “nuestro plan”, se refiere a BlueCHIP for Medicare.

Este documento incluye una lista de los medicamentos (formulario) que cubre nuestro plan, vigente a partir del 1 de septiembre de 2016. Si desea obtener un formulario actualizado, por favor, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha en que actualizamos el formulario por última vez, aparece en la portada y en la contraportada.

En general, debe utilizar farmacias de la red para acceder a su beneficio de medicamentos recetados. Tanto los beneficios, el formulario, la red de farmacias y/o los copagos/coseguros pueden cambiar el 1 de enero de 2016 y de vez en cuando durante el año.

¿Qué es el formulario de BlueCHiP for Medicare?

Un formulario es una lista de medicamentos cubiertos seleccionada por BlueCHiP for Medicare mediante consultas con un equipo de proveedores de atención de salud, la cual representa las terapias con medicamentos recetados que se consideran componentes necesarios de un programa de tratamiento de alta calidad. En general, BlueCHiP for Medicare cubrirá los medicamentos mencionados en nuestro formulario siempre que sean médicamente necesarios, que la receta se surta en una farmacia de la red de BlueCHiP for Medicare y que se cumplan las otras normas de cobertura del plan. Para obtener más información sobre cómo surtir sus recetas, revise la Evidencia de Cobertura.

El formulario (lista de medicamentos), ¿puede cambiar?

En términos generales, si está tomando un medicamento de nuestro formulario 2016 que estaba cubierto a principios de año, no suspenderemos la cobertura del medicamento, ni la reduciremos, durante 2016 excepto cuando aparezca un medicamento genérico nuevo y de menor costo o cuando se dé a conocer nueva información adversa relativa a la seguridad o la eficacia de un medicamento. Otros tipos de cambios en el formulario, como quitar un medicamento, no afectarán a los miembros que en ese momento estén tomando el medicamento en cuestión. Seguirá disponible para los miembros que lo estén tomando, con el mismo costo compartido, durante el resto del año de cobertura. Creemos que es importante que siga teniendo acceso, por el resto del año de cobertura, a los medicamentos del formulario que estaban disponibles cuando seleccionó su plan, salvo los casos en los que represente un ahorro adicional o cuando podamos garantizarle la seguridad.

Si quitamos medicamentos del formulario, comenzamos a imponer autorizaciones previas, límites de cantidad o restricciones del medicamento utilizado en la terapia, o trasladamos un medicamento a un nivel de costo compartido más alto, debemos notificar a los miembros afectados al menos 60 días antes de que dicho

cambio entre en vigencia, o cuando el miembro solicita volver a surtir el medicamento, momento en el cual el miembro recibirá un suministro del medicamento de 60 días. Si la Administración de Alimentos y Medicamentos (Food and Drug Administration - FDA) considera que un medicamento de nuestro formulario no es seguro o el fabricante del medicamento lo retira del mercado, quitaremos el medicamento inmediatamente de nuestro formulario y les enviaremos un aviso a los miembros que toman ese medicamento. La lista de medicamentos adjunta está vigente a partir del 1 de septiembre de 2016.

Para obtener información actualizada sobre los medicamentos cubiertos por BlueCHiP for Medicare, comuníquese con nosotros. Encontrará la información de contacto en la portada y la contraportada.

Si hubiera cambios en el formulario a mitad de año que tengan que ver con medicamentos que no se deben tomar a largo plazo, recibirá un aviso si el medicamento que usted está tomando en ese momento se ve afectado por el cambio. Habrá disponible una versión actualizada del formulario 2016 y una lista de los cambios en www.bcbsri.com/Medicare. La lista de medicamentos actualizada y la lista de cambios también se pondrán a disposición a pedido, si se comunica con el Equipo de Consejería de BlueChiP for Medicare.

¿Cómo uso la lista de medicamentos?

Hay dos formas de encontrar un medicamento en la lista:

Por afección médica

El formulario comienza en la página 1. Los medicamentos están agrupados por categorías según el tipo de problema de salud para el cual se utilizan. Por ejemplo: los medicamentos que se usan para tratar un problema cardíaco se enumeran en la categoría "Agentes cardiovasculares". Si sabe para qué se usa el medicamento, busque el nombre de la categoría en la lista que comienza en la página 1. Luego busque su medicamento en el nombre de la categoría.

Por listado en orden alfabético

Si no sabe exactamente en qué categoría buscar, busque el medicamento en el índice que comienza en la página 113. El índice ofrece una lista en orden alfabético de todos los medicamentos incluidos en este documento. En el índice, hay

medicamentos de marca y genéricos. Busque el medicamento en el índice. Junto al medicamento, verá el número de página donde encontrará la información de cobertura. Vaya a la página que se indica en el índice y encontrará el nombre del medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

BlueCHiP for Medicare cubre tanto medicamentos de marca como medicamentos genéricos. Un medicamento genérico es un medicamento aprobado por la FDA, que tiene los mismos ingredientes activos que el medicamento de marca. En general, los medicamentos genéricos cuestan menos que los medicamentos de marca.

¿Hay restricciones en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales para la cobertura, incluyendo:

- **Autorización previa:** BlueCHiP for Medicare requiere que usted o su médico obtengan una autorización previa para ciertos medicamentos. Esto significa que deberán obtener aprobación de BlueCHiP for Medicare antes de surtir sus recetas. Si no obtienen la aprobación, es posible que BlueCHiP for Medicare no cubra el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, BlueCHiP for Medicare limita la cantidad de medicamento que cubrirá. Por ejemplo, BlueCHiP for Medicare ofrece 4 parches por 28 días por receta médica de BUTRANS. Esto puede ser además de un suministro estándar de un mes o de tres meses.
- **Tratamiento escalonado:** En algunos casos, BlueCHiP for Medicare le pide que pruebe primero con medicamentos determinados para tratar su problema de salud antes de cubrir otro medicamento para la misma afección. Por ejemplo: si tanto el medicamento A como el medicamento B sirven para tratar su problema médico, es posible que BlueCHiP for Medicare no cubra el medicamento B, salvo que usted pruebe primero el medicamento A. Si el medicamento A no surte efecto en su caso, entonces BlueCHiP for Medicare cubrirá el medicamento B.

Para saber si su medicamento tiene requisitos o límites adicionales, busque en el formulario

que comienza en la página 1. También puede obtener más información sobre las restricciones aplicadas a medicamentos específicos cubiertos si visita nuestro sitio web. Hemos publicado en línea documentos que explican nuestras restricciones de autorización previa y tratamiento escalonado. También puede pedirnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha en que actualizamos el formulario por última vez, aparece en la portada y en la contraportada.

Puede solicitar a BlueCHiP for Medicare que hagan una excepción a estas restricciones o estos límites, o solicitar una lista de otros medicamentos similares con que se puede tratar su afección. Consulte la sección “¿Cómo solicitar una excepción a la lista de medicamentos de BlueCHiP for Medicare?” en esta página, para obtener información sobre cómo solicitar una excepción.

¿Qué sucede si mi medicamento no está en la lista?

Si su medicamento no está incluido en el formulario (lista de medicamentos cubiertos), debe comunicarse primero con el Equipo de conserjería de BlueCHiP for Medicare y preguntar si el medicamento está cubierto.

Si le confirman que BlueCHiP for Medicare no cubre su medicamento, tiene dos opciones:

- Puede solicitar al Equipo de conserjería de BlueCHiP for Medicare una lista de medicamentos similares que estén cubiertos por BlueCHiP for Medicare. Al recibir la lista, muéstresela al médico y pídale que le recete un medicamento similar que esté cubierto por BlueCHiP for Medicare.
- Puede pedirle a BlueCHiP for Medicare que haga una excepción y que cubra su medicamento. A continuación se presenta más información sobre cómo solicitar una excepción.

¿Cómo solicitar una excepción al formulario de BlueCHiP for Medicare?

Puede pedirle a BlueCHiP for Medicare que haga una excepción a las normas de cobertura. Existen muchos tipos de excepciones que usted puede solicitar.

- Puede pedirnos que cubramos el medicamento incluso si no está en el formulario. Si obtiene la aprobación, el medicamento se cubrirá según un

nivel de costo compartido predeterminado y no podrá pedirnos que le proveamos el medicamento a un nivel de costos compartidos inferior.

- Si un medicamento del formulario no está incluido en el nivel de especialidades, puede pedirnos que lo cubramos en un nivel de costos compartidos más bajo. Si obtiene la aprobación, esto reduciría el monto que usted debe pagar por el medicamento.
- Puede pedirnos que no apliquemos límites ni restricciones de cobertura a un medicamento. Por ejemplo, BlueCHIP for Medicare limita la cantidad de determinados medicamentos que cubrimos. Si el medicamento tiene un límite de cantidad, usted puede pedirnos que no lo apliquemos y que cubramos un monto mayor.

Generalmente, BlueCHIP for Medicare solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, los medicamentos de un nivel de costo compartido más bajo, o las restricciones de utilización adicionales no fuesen tan eficaces para tratar su afección y/o le ocasionaran efectos médicos adversos.

Debe comunicarse con nosotros para pedirnos una decisión de cobertura inicial acerca de una excepción relativa al formulario, a los niveles o a la restricción de utilización. **Al solicitar una excepción relativa al formulario, a los niveles o a la restricción de utilización, debe presentar una declaración de su médico que respalde la solicitud.** En general, debemos tomar una decisión dentro de las 72 horas de haber recibido la declaración de respaldo de la persona autorizada para recetar. Puede solicitar una excepción rápida (acelerada) si usted o su médico consideran que el hecho de esperar hasta 72 horas para la decisión podría perjudicar seriamente su salud. Si se hace lugar a la solicitud de excepción rápida, debemos informarle una decisión a más tardar 24 horas después de haber recibido la declaración de respaldo del médico o de la persona autorizada que recetó.

¿Qué debo hacer antes de hablar con mi médico sobre cambiar los medicamentos o solicitar una excepción?

Como miembro nuevo o ya activo en nuestro plan, es posible que esté tomando medicamentos no incluidos en nuestro formulario. O tal vez esté tomando un medicamento que está en nuestro formulario, pero tiene limitaciones para acceder a dicho medicamento. Por ejemplo, es posible que necesite una autorización previa de nuestra parte para surtir la receta. Debe hablar con su médico para decidir si es conveniente cambiar a otro medicamento apropiado que cubramos, o solicitar una excepción al formulario para que cubramos el medicamento que usted toma. Mientras habla con el médico para determinar el camino correcto, podemos cubrir su medicamento en ciertos casos durante sus primeros 90 días como miembro de nuestro plan.

Por cada medicamento que usted toma y que no esté en el formulario o si tiene limitaciones para acceder a los medicamentos, cubriremos un suministro temporal de 30 días (salvo que tenga una receta por menos días) cuando vaya a una farmacia de la red. Después del primer suministro de 30 días, no pagaremos por estos medicamentos, aun si ha estado afiliado a este plan por menos de 90 días.

Si reside en un establecimiento de atención a largo plazo, le permitiremos volver a surtir una receta hasta que le entreguemos un suministro de transición de 91 días (incluso hasta 98 días), que se corresponda con el incremento de suministro (salvo que tenga una receta por menos días). Cubriremos más de una provisión adicional de estos medicamentos durante los primeros 90 días si es miembro de nuestro plan. Si necesita un medicamento que no está en nuestro formulario o si tiene limitaciones para acceder a los medicamentos, pero ya han pasado los primeros 90 días de afiliación a nuestro plan, cubriremos un suministro de emergencia de 31 días de ese medicamento (salvo que tenga una receta por menos días) mientras gestiona una excepción al formulario.

Si cambia su nivel de atención (por ejemplo, si pasa de un hospital al hogar) y necesita un medicamento que no está en nuestro formulario, o si su capacidad para obtener sus medicamentos es limitada, cubriremos un suministro temporal por única vez por un máximo de 30 días (o 31 días, si usted reside en un centro de cuidado a largo plazo),

siempre y cuando acuda a una farmacia de la red. Durante este período, puede analizar otras opciones de tratamiento junto a su médico, o bien recurrir al proceso de excepciones del plan, si desea continuar recibiendo la cobertura del medicamento una vez que el suministro temporal se haya agotado. Nuestra política de transición no cubrirá medicamentos que Medicare no cubra normalmente.
