

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately. **This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-866-987-3706 or (401) 429-2102 or TDD 711 or visit us at www.BCBSRI.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-866-987-3706 or TDD 711 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	For Lifespan Preferred Network \$0 for an individual plan / \$0 for a family plan. For BCBSRI & National BlueCard PPO Network \$0 for an individual plan / \$0 for a family plan. For Out-of-Network providers: \$2,000 for an individual plan / \$4,000 for a family plan.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	Combined medical and pharmacy out-of-pocket limit for Lifespan Preferred and BCBSRI & National BlueCard PPO network providers: \$2,500 for an individual plan / \$5,000 for a family plan. For Out-of-Network providers: \$3,000 for an individual plan / \$6,000 for a family plan.	The <u>out-of-pocket limit</u> is the most you could pay in a plan year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limit</u> until the overall family out-of-pocket limit has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billed charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.BCBSRI.com or call 1-866-987-3706 or (401) 429-2102 for a list of <u>network providers</u> .	You pay the least if you use a provider in Lifespan Preferred network. You pay more if you use a provider in the BCBSRI & National BlueCard PPO network. You pay the most if you use an Out-of-Network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the <u>specialist</u> you choose without a referral.

- All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
